

TROUTDALE DRIVE, ET AL. ROADWAY IMPROVEMENT PROJECT

Dear Neighbor:

The County of Los Angeles Department of Public Works is pleased to inform you of an upcoming roadway resurfacing project in your neighborhood.

The project, which will be built at no cost to the adjacent property owners, consists of resurfacing of the existing pavement. Please see map on back of flyer for project limits. This project is located within the County unincorporated neighborhoods located east and west of Kanan Road including Lobo Canyon, Seminole Hot Springs, Cornell, and Malibou Lake. The project cost will be financed with Proposition 1B Transportation Bond funds.

Additional information, including the names and telephone numbers of Public Works personnel to contact regarding construction activities will be provided to the adjacent residents and businesses prior to the start of construction.

Construction is tentatively scheduled to start in the summer of 2013 and will take approximately 1 month to complete.
